Newsletter

5415 Waters rd. Ann Arbor, Michigan 734-476-8346

Well, it's been a short winter. Our winter Horse Shows went well and the kids all had a great time. We would like to thank our sponsors for donating the great prizes. Weather permitting we are getting ready for another rip-roaring spring/summer season.

We will be having **Free Pony Rides** to introduce the kids to the equestrian lifestyle. This beginning lesson will include and emphasize safety and horsemanship skills.

We will be having 3 **Michigan Eventing Association Horse Shows**. We invite you to come watch, tailgate, or participate as a helper.

The **Summer Fun Lessons** will introduce the kids to the safe and pleasurable experience with plenty of individual attention for each participant. Our programs are designed by Carolyne Wheeler, a former district commissioner of the United States Pony Club. Carolyne certified in CPR and first aid certification.

In addition our **Cedar Ridge Equestrian Center Helpers** will be competing to qualify for a spot on The Eventing Association of Michigan Team, which will travel to the Lexington Kentucky Horse Park in October.

We are starting plans for phase 4 **Cross Country Course**. This will include 20 new jumps. This will increase the total number of jumps to 62. Jumps are categorized as starter (12) Beginner/novice (14) Novice (16) and preliminary (20).

Thanks go out to Kids and Parents for their participation in the fundraising activities during the **Free Pony Rides**. This has allowed us to purchase 10 stadium jumps and the equipment for our dressage ring.

Many thanks to our sponsors for all their donations of time, funds, and gifts. We really appreciate it and hope in some small way we've helped your business also. We can't do this without our kind sponsors help. To further improve our facility we are asking for more help....your time and donations will allow us to go ahead with phase 4.

New Sponsors are welcome and we encourage you to contact John at 734-476-1644 to obtain ad space on the Grandstand Billboard, Jump Banners, Saddle pads, and as future ad space develops.
